6. Product damage caused by the customer.
7. Product rusted, stained by effects of the environment or due to vandalism, liquid (acids, chemicals, etc.)
8. Product damage is caused by unauthorized treatments and modifications.

 **Note:** Customers will be subjected to all repairing expenses and 2-way shipping costs. If arises disagreement with the company's determining faults, both parties will have a third party inspection appraise such damage and its decision be and is the final decision.

5.2 Support

Support via Help center

 For support, please contact our support center at the following link: <https://support.daviteq.com/hc/en-us>

- If you have any questions about the product, you can search for information on that page;
- If you can't find the right information, please register an account and send us a request. We will respond within 24 hours;
- Our support engineer will contact you via the Ticket system. If the product needs to be sent back to the factory for warranty, we will generate an RMA code so you can send it back to us. To follow the status of the RMA process, customers can visit our SupportSync system as below.
